Chapter 1: Gift from the Gods

Darn it!
I can't reach!!
What the hell?
What's she doing...?
No doubt.
She's leaving nothing to the imagination.
She doesn't seem very bright, either.
What's she up to?
Why is she dressed like that?
Here goes...
You can jump better than that my dear.
Come on.
Okay, I'll try.

So...
Where...
...should I go next?
What the--?
Nice!
An angel!
Wonderful!
Cute panties!

GO AWAY!!
Quit staring, you perverts!
Go away!
Where am I?
Huh?
Huh
Huh?
Huh?
Don't remember much since today!
Agh! No! Don't get the wrong idea!!
You freaked Pandora out at first, but now I think you're nice!
Yay!! Thanks for fixing me up! ♡
...a eunuch?
Don't tell me he's...
That boy wasn't affected by Pandora at all...?
Fwuh
Fwuh

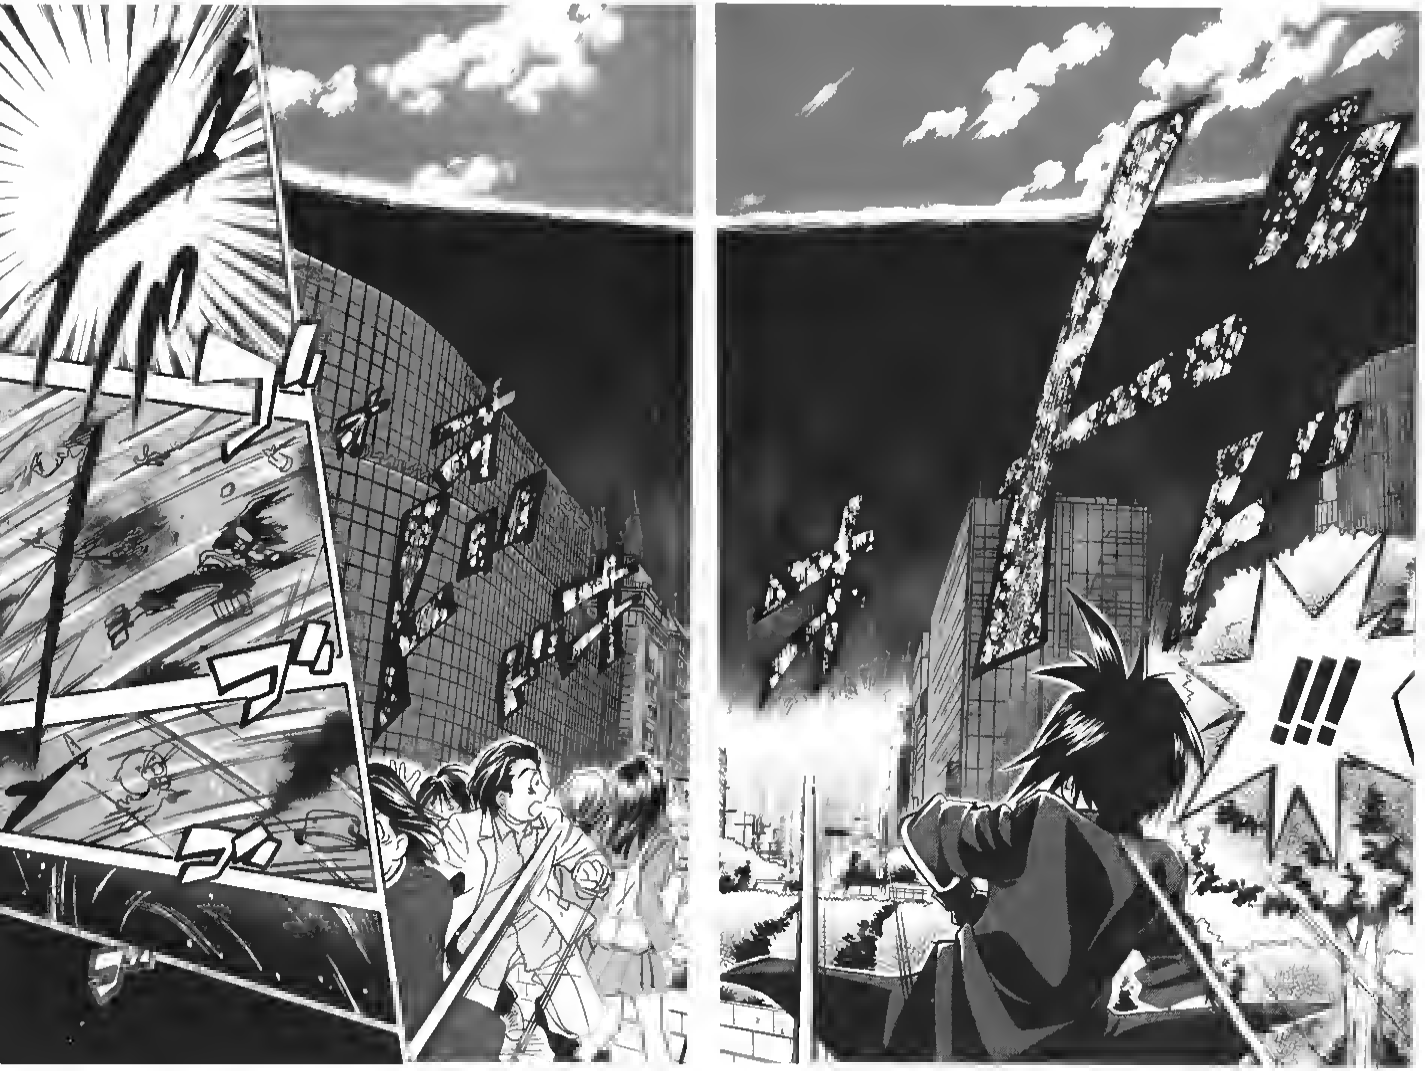
ぶるっ
?!

Dress like a real lady, or don't ever show your face around me again!!!
How dare you! I HOLD nothing but CONTEMPT for girls like you!!
Gahhh!!!
You creep!
Too bad! I don't like a single thing about you!!
Pandora likes you!
Be Pandora's man-servant.
What's your name?
Can you show me how a "real lady" *does* dress?
Hey, wait.
I'm so gone!
Leave me alone! Im outta here.

Why the hell are you dressed like THAT, anyway?!?!
Don't yell at Pandora. You grabbed a hold of her boobs of your own free will!
Are you crozy? Or is it some kind of fetish gear? Because if you're doing anything illegal--

A Goddess can...
.....
?

Then let me tell you a secret...
I-I didn't say I d-did!
Sniff
Sniff
Ohh, but how could you know everything about Pandora so fast?
.....
Ha!
...a Goddess!
You see, Pandora is...
Then let Pandora show you!!
Oooh!
Yeah, right. That would mean you had special Goddess powers or something. I'm not going to believe you without seeing them.

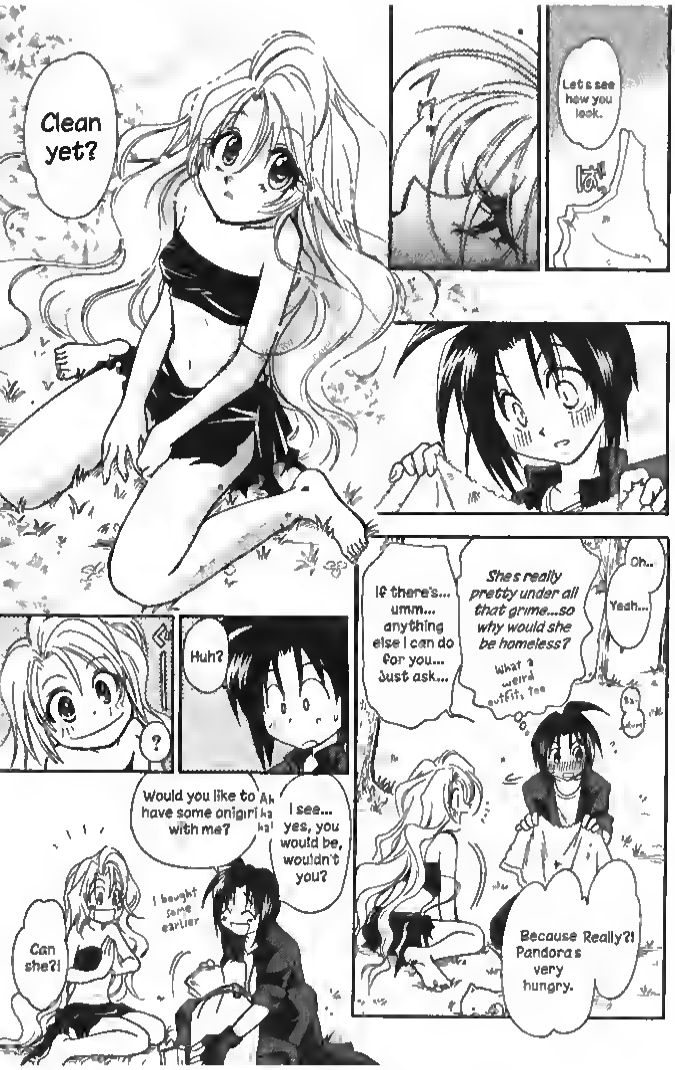


Her boobs have shrunk, and now she can't use her powers!!
Mattsun, what's Pandora gonna do?
Sheesh
How should I know? I'm not the Goddess, Pandora-san!
Whaa--?! Oh, no! You're right! Everything shrunk!!
Eeek!
It's not just your boobs, dear...
Kill!
Maybe because you used your powers so recklessly?
Wh-Wh-Why...??
The universe is unfair, dear. I guess not even the Gods were able to create a "Perfect Goddess."
But that's so unfair!
No way..

Oh, this isn't good...
Mattsun, turn into a dog!
Hmmm... This'll be good for Miso Soup.
Ta-dah!
Even that weird boy is gone.
She wiped out the entire town.
I can't even begin to guess where that dizzy Goddess got off to...
Urg.
A dog? You're really insensitive.
Gimme a break.
How come it didn't work...?

Yo!
You over there.
Hey..
That brat's staring at us.
That kid.. is she homeless?
Hey, I have an idea.
Man, she's filthy! I feel gross just looking at her
Take a bath!
Clean up your act, kid!!
From the way I see it...
You guys are awful.
Ha ha ha!
Huh?
But Pandora... didn't do anything to you...
One week later...
Food Relief Fund
Hack Hack
Pandora is starving!
And let's face it, you're no help either, Mattsun.
Her divine powers are useless to her.
Oh, my dear, now you're just being cruel.
And she's tired of walking.

Shut up!!!
Why don't you pick on someone your own size, so I can hand your asses to you, you rat bastards!!
You guys are old enough to know better than to attack a defenseless girl!
Gah!
He's...
Ah!
Who the hell do you think you are?!
Why you--!
...YOU'RE the ones who are disgusting.



Clean yet?
Let's see how you look.
Huh?
?
Would you like to have some onigiri with me?
I bought some earlier
Can she?!
I see... yes, you would be, wouldn't you?
If there's... umm... anything else I can do for you... Just ask...
She's really pretty under all that grime...so why would she be homeless?
What a weird outfit, too
Oh..
Yeah...
Because Really?! Pandora's very hungry.

Damn.
Damn!! We'll get you for this!
Eeek!!
You're the boy...
...from when...
Umm...
What's wrong with me?
Not again!
You poor thing! Are you okay? Are you hurt?
Oh...
No...
Ohh!!
They might come back with others, so we should get out of here before there's trouble.
I'm sorry that those kids were such jerks.
Wah!
He... doesn't recognize Pandora like this, does he...?

Nnnn
Here, dry off with this.

...likes you!
Aai, Pandora...
If you had a weak heart, you wouldn't have bothered.
But you do have a strong heart, Aoi!!
You were so kind to Pandora.
Does she have rice stuck to her face?
L-l-likes me?
Here.
What's wrong, Aoi?
Huh...?
All men really do think alike...

Even if you can be kinda scary sometimes!
I am?
You're a really good person, Aoi!
Huhhh?! No, you're not!!
That's just because I'm weak.
Oh...
I'm Pandora. What's your name?
Me? I'm Aoi.
Pandora? That's strange
Sorry Sometimes I'm too metaphysical for my own good.
Hmm... Pandora doesn't understand.
...I'm working on myself, so I can have a stronger heart and a richer soul.
I'm weak-hearted, I mean... so I always resort to physical force. That's why...

Smooch

I guess now we know how to recharge your powers
What?!
Whaa--
Huhhnn?
Thank you, Aoi--!!!
Yay!!!
Oops, pardon me.
Is that cat talking?!
Hey!
Why are you running away from Pandora? You were so nice to her before...
Don't come near me!!
Yikes!!
I don't like girls like you!!!
And furthermore, I thought I told you...
You blew up the city, you said you were a Goddess--!
What the hell are you guys...?

Wh-a-a--?!
?!

...she turns into this.

When Pandora uses her Goddess powers...

D-don't cry...
.....
D--
Sob
Sniff
Well, I'm in trouble, too, as long as I'm locked up like this.
Really?!
Oh, no!
Sorry!!
I don't know much about Goddesses or anything...
...b-but if you're in trouble, I'll help you ..
...I guess.
Huh?!
Uhh
So...what Pandora did earlier..
...can she do it again?
.....
...the little girl?
You're..
.....
When she's small like this, she can't use her powers.
Pandora turned into a child after last time, and she didn't know what to do, but thanks to you, she was able to go back to normal...
...Pandora can't be a Goddess anymore.
Huh...?
...without you, Aoi...
So...

Seek out the Gifts that humanity has among them...
Pandora...
Chapter 2:
Aoi's Decision
As long as Pandora has Aoi, everything will be okay...
Because Pandora is the Goddess, after all!

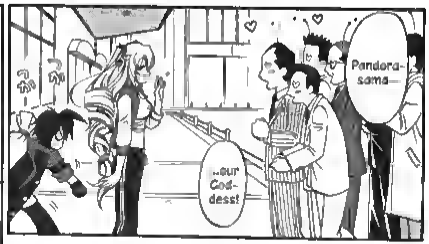
I guess
Thump
Oh, brother. Maybe you deserve to stay that way!
Huh?
Aoi, do you have any more onigiri?
Oh, no! I'm not eating rice this time!

...I really don't like this girl.
You know...
...Pandora is going to get away from you! Tee hee!
If you keep walking so slow...
Judging from the look of things... she must've kissed me while I was asleep.
Yeah, like that would be some kind of tragedy.

Chapter 2: Aoi's Decision

ニヤニヤ♡
ホ!!!♡

No, we're not!! I'm just trying to keep you from doing stupid things that'll get you in trouble!!
Tee hee! Aoi! Aren't we jealous?



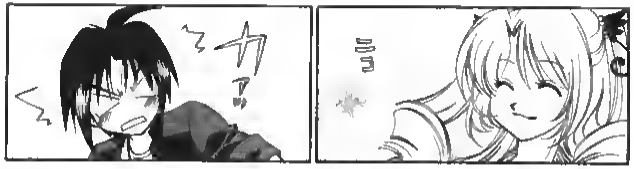
Pandora-sama—
...our Goddess!

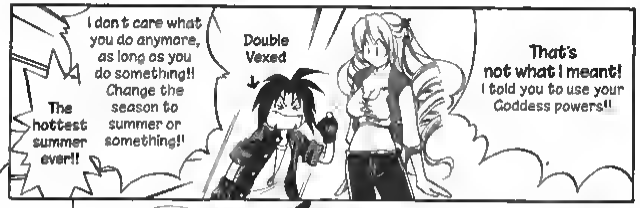
Nothing to see here!
Move along, you dirty old men!

Why are you so mean to Pandora when she's her normal self, Aoi?
Quit complaining!
Aoi, these clothes are a little tight!
No, he's not! He's weird!
He talks!!
At least Mattsun's always cute!
Pandora wants to introduce herself. She's a Goddess! ♡
Listen, everyone!

Please donate to help the people affected by the tsunami!!
Please donate to the Tsunami Relief Fund!
The tsunami... that's what they're calling Pandora's magic display...
Please donate!
Of course, I was a little responsible myself...
...so I'll give all my money, too!!
Pandora!! You're responsible for the damage, so you need to contribute!!
Just do that "ta-dah!" thing.
You're a Goddess right? You can make as much money as you need materialize from thin air!
That's it!!
Let's see...
Donate? But Pandora doesn't have any money...

Please, help yourself.
GAH!
GRRAAAHHH!!
...calls too much attention to herself?!
This girl...
...so she'll turn back to the cute Pandora.
I need to get her to use her "Goddess powers"...
Too many thoughts in your fevered brain, kid.
I just meant "cute" as in "small"! I don't actually think...
Wait!





I don't care what you do anymore, as long as you do something!! Change the season to summer or something!!
Double Vexed
That's not what I meant! I told you to use your Goddess powers!!
The hottest summer ever!!

I love summer !!!
Whoa
Summer?
A hot summer...
?
ぱぁ

Here's my 100 million Yen-winning lottery ticket!!
Me, too!
Pandora-sama!!
All my cash!!
Pandora-sama, let me help!!

Here's my money! Take it!!!
I'll contribute, too!!
Wow, their boxes are full!
Sweet! Thank you so much!
What?!
?!

It's summer, everyone!!
♡
Summer!!
Summer!!
Fall
Has that girl ever heard of free milk and the cow?
What's going on over there?
Is this some kind of sorority girl perve shoot?
Ewww! Old men stripping!
It's so hot!!
I can't believe it's already summer
You know it! Too hot for clothes!
I told you to use your powers!!
Wait a minute!
It's only summer for your fan club, isn't it?
Sweltering
Don't take everything off, you moron!!
You just don't have the hang of this, do you, dearie?
Especially not your pants!
Ha!!
What's wrong with this? Pandora can't get it off...
Urgh
Gyaahh!!
Stop reading my mind!!
Huh?
You sure want her to be small bad enough, though...
.....
...and ask her for a wish. Isn't that what you humans do?
Try the usual route...

You want to be strong, right?!
Is that all you've got, twerp?!
Gah!!
Your punch had no effect!!
It didn't hurt at all?!
No effect...
!!
Right?
Wow, Mattsun! That kind of beating is going to make Aoi-san super strong, isn't it?
You're weak!!
Hey!
Wai--
Weak weak weak weak weak !!!!
Get strong!!
This is practically a lynching!
Humans can be awfully scary when they're entranced by beauty. They don't feel pain, and they possess power beyond their usual strength.
Aoi?
?
Peka

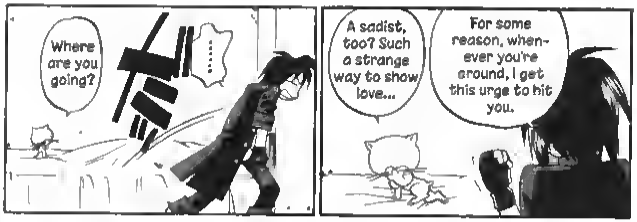
...really, that's a personal issue, not a matter for Goddesses.
Really? But he's already so strong.
Wishes are for fools. I mean, I do wish I was stronger, but...
Hey, Pandora, Aoi-san says he wishes he was strong
I don't have a wish.
We'll make Aoi-kun stronger for you!!
Pandora-sama!
Say...
How do people get stronger?
--aat the hell are you doing, you bastards?!
Sorry, I just...
Ah!
Whaaa --?!

...already died, can he?
It's so early in the comic, he can't have...

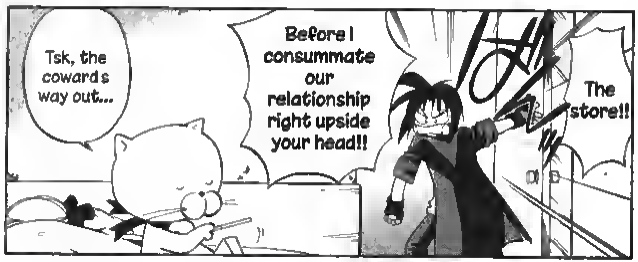
--Oh-- What's --?
I really do hate you, you know--
Oh! Pandora's so relieved!
Umm...
Err...
I-I-I'm so sorry! I didn't mean you. It's j-just...
You're alive! Alive!!
He'll still get himself killed somehow though...
The Goddess wishes!
You can't die!! Live, Aoi, live!!!
Waahh!! No, no!!

Made it!
Is she okay?
Was that girl saved by her?
That kinda hurt...
Nnnn!
One, two
Eeek! Cops!
WEE-OO WEE-OO
Oh, my god...
Unnnn
I'm sleepy...
Talk to me about it later
Ohhh?
Huh?
We got away, but are you all right?
Don't do things like that!
Yahhh!!
Snore
You can't sleep in the middle of the road! Do you wanna die?!

Now we should be trouble-free.
Okay.
Gah!
Hurry up, Pandora! Gonna eat it all!
We're sorry
Excuse us
Ooh!
But Pandora wants to try, too!
Hey, stay close to me.
Swish



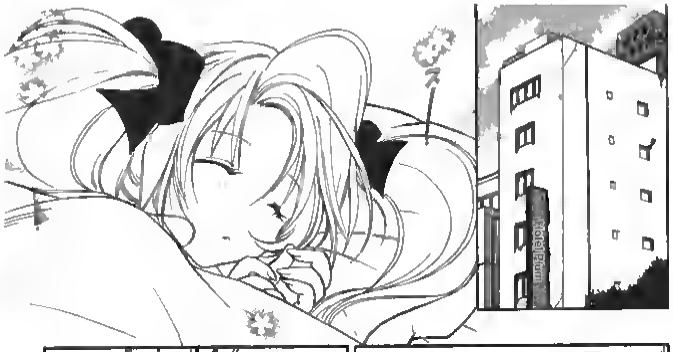
Where are you going?
A sadist, too? Such a strange way to show love...
For some reason, whenever you're around, I get this urge to hit you.



Tsk, the coward's way out...
Before I consummate our relationship right upside your head!!
The store!!

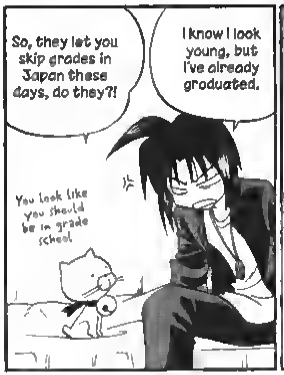
.....
Sigh

What the hell am I doing...?
Tobacco
& Spirits
.....



Buzz off, cat!!
You can take all the heavy sighs you want, but you've still gotten her where you want her, right?

What a handful.
Phew...

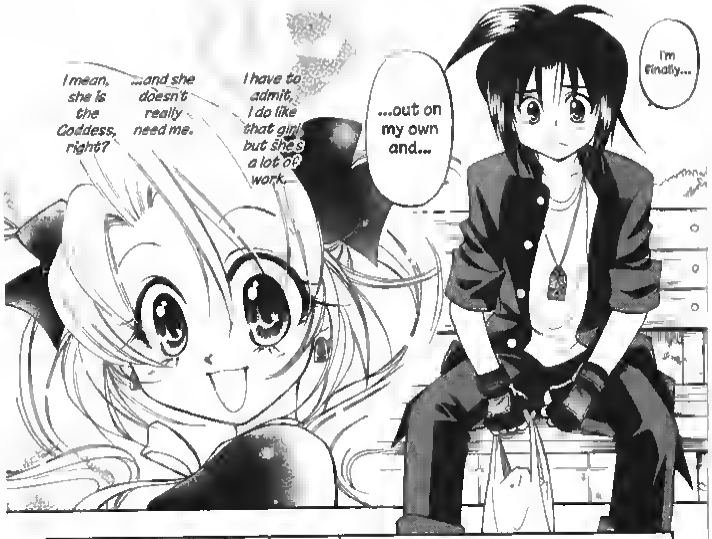


So, they let you skip grades in Japan these days, do they?!
I know I look young, but I've already graduated.
You look like you should be in grade school.

Yep. She may be small, but she's still the same Goddess.
You're kind of young yourself. Why aren't you in school, dear?
Say...
Is she always such a handful? Even when she's little?

Your nose is running.
Hey.
It's always somethin with you, isn't it?
This'll hold you until we're home.
Just don't swallow it this time, dummy!
Yes, sis.
No!
Wait!
.. or I'll leave you here!
Come on!
Get movin

Hmph... Guess I'll head back, too.
Please, sis, just wait a sec!
Hold up!
.....



I mean, she is the Goddess, right?
...and she doesn't really need me.
I have to admit, I do like that girl, but she's a lot of work.
...out on my own and...
I'm finally...

You're the one who said you wanted to carry it!
Not again!
Wait up, sis! It's heavy!
The healthy choice would probably be to leave her behind...

Waaaaahhhh
Quit cryin'!
You'll have to wait until you get home
There's a bench right here!
Don't sit in the middle of the road!
I'm thirsty

I'll protect you, Goddess!!
I...
I...
I'll...
Pandora...
Aoi...
So narrow-minded of you, dear.
I don't protect felines!
Aoi...

He told Pandara yau had left her and ran away!!
Zzz
That Mattsum!!
You were late!!
Aoi --!!!
Sorry
That's why she stayed where you would find her!
She knew there was no way you'd do that!!
Is that cat psychic or what...?
Because... she knows Aoi-san will always stay by her side!
Pandara wasn't warried at all.

Chapter 3:
Goddess at Work?

If you give me a kiss, I'll tell you!
.....
Kiss the cat?
Is it really so strange?
No way! Pandora comes first!!
What do you think you're doing?!
What's going on...?
I've never seen a crook be so blatant about their theft! What are you trying to pull?!
What kind of lowlife are you, trying to steal from my shop?!
I get it now!
Quiet, you!!
Except deep down you really do want to kiss her, don't you, dear?
If we let her go to full Goddess mode... the dirty old men will be all over us again
Pandora-sama
It's not like she even stays out of trouble when she's small...
But the Gods told Pandora ta find and gather the Gifts, so I need to go where there's a lot of people.
What do you mean by "Gifts"?
You're just acting like that so Pandora can't kiss you, right?

Kiss me.
Aoi... please...
Smooch
Okay... so why aren't you grabbing this Gift already?
Good going, Aoi. I can totally see the collar now.
Young master? What are you doing now...?
Not again

Of course not. Normal humans can't see it.
Huh? I don't see any collar...
Huh? Pandora can't see it either!
You're messing with me aren't you?
Something this cheap isn't worth paying for
Hold on!!
That man's what we call a "Slave to the Gift"! Look at the collar around his neck!!
I didn't do anything wrong.
Young master
Hurry and get changed back to normal so you can follow him!
Curses! You're really useless small, aren't you, dear?
pant.
What a convenient excuse
I can only see the collar for three seconds...
"Child"?!
If you've got such good eyes, then you follow him!
Don't dilly dally, child!

If you have the maney to pay, then why don't you skip the stealing and just buy it to start with?!
Several dozen back doors down the road...
You're saying wards I know, but I don't get what you mean...
That's because you're dumb, dear.
Look! He went in another shop!
By the way, who's this guy?
Tsk tsk, such an impulsive child....
I can't just stand by and watch anymore!
That man keeps getting hurt worse and worse
Young master is going to get himself killed!
What is he trying to pull with all this?
Why do you keep getting yourself into trouble?
Are you all right, mister?
Ugh

Huh?
Aren't you paying attention?
The Gifts only take over girls.
Whoa!
What the hell do you think you're doing?!
Ooh!
Well... duh.
I sense something out back...
So, does that mean Pandora can only entrance men?
Young master, you have all the money you could need. Why are you stealing?
So if we follow a "Slave" like that man there, we'll find the person the Gift has possessed.
The Gifts are a lot like Pandora, dear. They charm men and enslave them with their collars and chains.
If you want money, it's take it!
Oooh, he's been beat up good.
Don't you think it's barbaric to use violence just because someone didn't pay for one of your substandard products?
A thief has no right lecturing me on morality!

I've been waiting for you, Aoyagi-san!
What have you stolen for Natsume today?
Who are...
...these people?
Natsume-san! These are yours!
Aoyagi worked hard for you!
What's a girl like that doing in a dump like this?

If she finds out I paid for them, she'll think I'm not devoted to her.
These are all things she asked me to shoplift...
I keep trying to steal, but I keep getting caught.
I don't know who you are, but can you forget you saw me...pay for what I stole?
Huh? What are you talking about?
What kind of girl is she if she makes you steal?
No, it's stupid!
Oh, what a gallant gentlemen! It's sweet how he's trying to please his girlfriend!

Where does this girl live?
Follow me. I'll show you.
Stealing... chews her. how much I love her...
I'll do anything for her...
You followed me, Jii? I told you not to baby me!! Let go!
Young master, Jii cannot let you keep on this way
I know stealing is wrong, but it's the only way to please her...
If I pay for them, she'll get mad and won't accept the present.

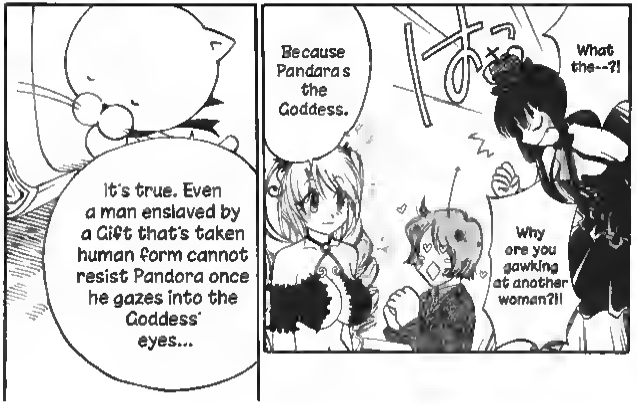
Before we go...

Pandora has finally found her first Gift...
She's here to take it back!

Natsume isn't ready to go back!!
N-No way!
Y-You're supposed to be dead...
Pandora ...?

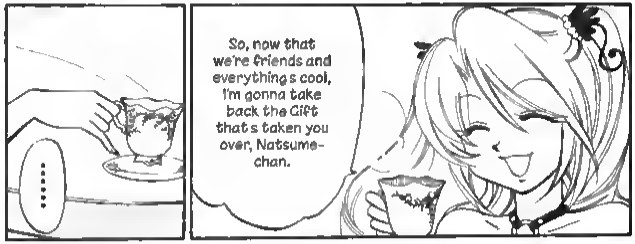
Your boobs are so firm and big, Pandora-chan, they'd look great in this!
♡
ITUES
Paka
That outfit's really cute! Especially along the bustline!
♡
きゅっ

Quick, Aoyagi-san! Protect me!!
She's had enough of Jobs and working to get maney for things.
Natsume's ganna keep taking men as her slaves.
Let my adoring fans do all the dirty wark. This guy especially will do anything Natsume asks.
♡



It's true. Even a man enslaved by a Gift that's taken human form cannot resist Pandora once he gazes into the Goddess' eyes...
Because Pandora's the Goddess.
What the--?!
Why are you gawking at another woman?!!

Whos buttering up whom here...?
We could totally raid each other's closet!



So, now that we're friends and everything's cool, I'm gonna take back the Gift that's taken you over, Natsume-chan.

No.

Ta-da! A brand-new Aoi!!
Huhhh?!
Aoi
With the kiss of the Goddess Pandora, this odd child will gain new powers.
No way... after all this, I've... died?
No, we killed you last chapter. Remember?
She may be a Goddess, but she's not all-powerful. That should be obvious, little dear.
Okay, then why doesn't Pandora just use her Goddess powers and take it already?
Quit calling me a man-servant!!
I've been waiting for this!!
Goddess, now's the time to put your manservant to work!
The Gift remains inside its human host until the chain is broken.
Smooch
Azieh Ergalion!
Uhhh?
Hnnnnn!
Huh?
What th--?!

...that your twisted chain...
...be broken!
Pandora decrees...
It can't be! Those aren't--?!
The child's spirit has been transformed
Now that you mention it, I can see the collar and chain now!!
Normal people can't see it! How funny though!

Your name is Moros, isn't it?
You don't have to be afraid.

Set Your Slave Free!!

Ugh
Just pretend it's all been a dream. Save yourself the post-traumatic stress.
She turned me...into a pair of clippers??
Natsume-san...it's okay. My life has been a farce, completely free of any real challenge. Since I've met you, I've started to finally feel complete.
Aoyagi-son...?
Is that you?..
Ne-Natsume-san?!
You don't need to worry about your creditors! We'll tackle your debts together!
It's like I was in a trance... I can't believe what I did to you...my debts have driven me to despicable measures...
I'm so ashamed, don't look at me
Jii is so relieved
Oh... Thank you.
Clippers?!

Come here, sweetie.

Oh, please! Pardon my humanity!!
Such a simple child. Clearly I can only show you one step at a time.
Haven't they always been around? Why retrieve them now?
I'm telling you for the last time!! I said I'd be your guardian, not your manservant, and definitely not some kind of tool!
Huh?
What, what?
Let's get something straight, Pandora!
And don't you forget it!
Huh?
I'm so sorry, Aoi!!
Ah, Aoi.
...I'm sorry.

Well everything worked out okay in the end. ♡
I still don't understand what these Gift things are?
Somehow, I find your enthusiasm tough to share.
Tee hee hee! And Pandora captured her first one! ♪
They are everything that humans have ever found abominable. They prey on weak-willed people, moving into the hearts of women and bending men to their will. Think in the abstract, and it will become more clear, my dear.
.....

Chapter 4:
An Unusual Slave

You're not Pandora's manservant. No, no, no...
You're Pandora's... special manservant!
♡
There's no happier life than that of a fool...
Wait! Don't run away! Why are you so mad? Pandora told you you're special...

Pandora can't make them any smaller...
These?!
It's your breasts, okay! Those things are too huge!
See?
I get it! Stop showing them to me!!
See!
Why're you so cold to big Pandora and only nice when she's little?!
Aoi...?
Gah! Leggo! It's too warm for that. Why doncha walk two meters behind me instead?!
Tee hee hee.
Whatever. Size isn't everything, big isn't better!
That and if I hold her hand when she's so tall, it makes me look like a little kid!
What is this obsession with size?
Say-
What's that?

The Buddha has blessed me.
Whaaa --?!
A c-c-cat?! But it talked...
I just thought a guy looked hot?
Excuse me, dear
What d you mean? I'm a boy! Can't you tell?!
Maybe he's a trans-gender individual.
I thought the Gifts only enslaved boys?
Pandora? ...Is this boy a slut?
Shut up!!
Aoi is Pandora's manservant, so you stay away from him!
Well ...the women in my family all have strong psychic powers, so maybe it has something to do with that. My name is Maya Amagi.
My dear, I've never seen a human quite like you before. You've been enslaved by a Gift, and yet you've managed to maintain control of yourself.

Some kind of penance?
What's that monk doing?
There's more to this young monk than meets the eye!
It doesn't make any sense. Why would he be trying to run away from the Gift?
If you pull that collar off, it will take your head with it!
Sir, wait! You'll hurt yourself if you force it.
Ohhhh! It's another Gift's Slave! He can't move because of the collar!
Huh --?!
Interesting necklace he has, eh?
How did you...? You guys can see this collar?

Wahh!!
It doesn't matter if it's a guy or girl! Look into Pandora's eyes and say it's not true!!
?
Go, Mattsun, go!!
That didn't happen!
Nooo! That didn't happen!

It is. Thank you.
Ow! Your neck must be *burning* from the collar. Use this to cool off.
I've always been able to see things other people couldn't, that's all. Like this collar, for instance...though I don't understand why you think I'd lose control of myself.
But you are a *male*, correct? How intriguing ...!
Umm... I'm sorry I thought you were a girl
No, that's okay, I can do it--
Are you retarded?! Why are you getting jealous over a guy?!!
Aoi! You're too nice to him! It's because he's cute, isn't it? You like him more than you like Pandora, don't you?
No, I'm sorry!
Oh, sorry.
He doesn't act like a guy at all!!!
Wait, why the heck are you being so weird?!

Do over!
うちゅ
ちゅ
……

Sakurako-san? She's a bit of a tomboy, but she's always been sweet...
What is this "Gift" you keep referring to?
...that is, until she put this chain on me, and stole something—important to me...
What kind of girl has preyed upon your soul, dear?
Gifts are negative traits that take over the hearts of weak-willed girls, and in turn, they use those girls to enslave any man they want.
Please wait! There's still something I must ask you!
Pandora's not pissy!!
What's going on with you? Why are you being so pissy?
Sh-she...she took my f-first... she kissed me without asking!
Sa, Aoi? Your first kiss was with Pandora, wasn't it?
I told you I am!! Does that mean I can't think my first kiss should be special, too?!
Huh?
W-Well...to girls they are, yeah.
But you're a guy, aren't you?!
(Aoi)
Are first kisses some kind of big deal?

Yeeeuckk! Why did you use your tongue?!
Pardon me. It has a mind of its own.
She didn't transform into anything!...?
Oh, no. Pandora didn't cast a spell.
There! Now everything is as it should be. One kiss cancels out another!
No?! Why not?
No!
So...are we going to cut Amagi-kun's collar?
Well?
He may be wearing one of the collars, but his heart hasn't been taken by the Gift.
He's doing just fine on his own!

Pandora! Stop!

I can't be on this train! It's headed in the direction I'm forbidden to travel in!
Ahh!
Jeez.

!!
Pandora! Stop the train!! Quick!
Oh? What for?

A first kiss is always important! It's a sacred ritual that affirms the feelings of both people involved!
But now the truth cannot be denied for Pandora!
That's...
Why do you care? You didn't even know first kisses were a 'big deal' until three panels ago.
She just completely forgot everything that happened before this, didn't she...?
Thank you, Maya-chan! No, he doesn't.
Aoi-san doesn't understand women, does he?
Waaaahh!!
s-but...
Hey! Wait up!
Me!
Like I'd admit it if you were!!
Your first was Pandora, wasn't it?
Maya-chan's right! Tell me!

Ugggh

Oh, no! Amagi-kun!
We've got to help him--!
Yiiiii!
Pervert!!!
HURRY!!
Kyaaahhh!
Aoi?! Maya-chan?!
If you don't do something, dear, this train will become that poor boy's guillotine
No!! Hold on! I'm coming!

Well, she is the Goddess!
I can't believe it... God sent a miracle to save me! I had no idea you possessed that kind of power, Pandora-san.
Zuh!
Oops!
Oops! We won't be able to help Maya-chan unless Pandora gets back to normal!
That's pretty much true!
She may be a Goddess, but when she's little, she's completely useless.
It's not like that! She can't recharge her powers unless I kiss her. That's all!
I'm only doing it to help you, Amagi-kun...
Whaa --?
Oh, forget it! Jerk!
Eww! A public display of affection...
I did not realize you two were in that kind of relation-ship!
I'll look away!
Aoi!

Well...I must say, Pandora, that was quite impressive...
You'll have to ask her
What happened?
Huh?
Where are we?
The beach??

Aoi-san! She's the one!
That makes Sakurako very happy.
I'm sure someday you'll find the right path.
S-S-S-Sakurako-san...Every human can lose her way from time to time...
Maya-chan?!
Well, they are similar beings...in a sense...
The Gift's host kind of sounds like Pandora, does she—?
She loves causing pain for men like Maya-san.
And when does...
Sakurako's not lost.

Pandora... kind of...
...doesn't want your kiss.
So, you came back after all...
What was that?
Kyaahhh!!
Excuse me?!
What are you talking about? You always force yourself on me, and now you're rejecting me?! I've got feelings, too...and you're mixing them all up!

No more!!!

Who might you be?
You shall be punished for crossing Sakurako!
Sakurako-san, please stop.
Aoi-san!
...she feels fulfilled!

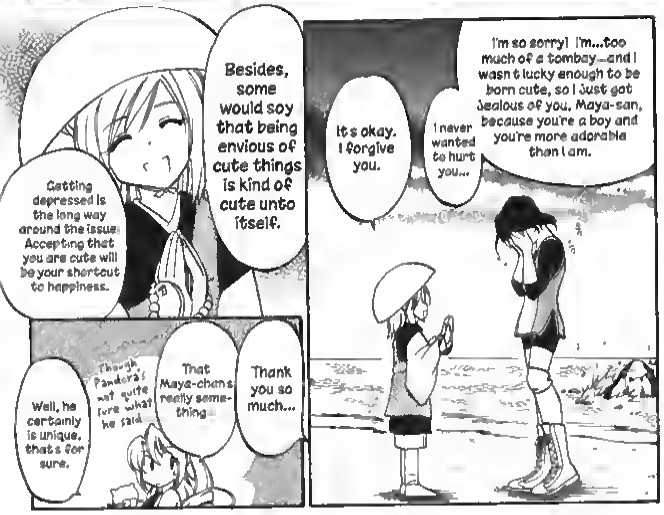
Huh...? Aoi-san?

Gotcha!
Well, well, well. If it isn't it! ol Nemesis.



Besides, some would say that being envious of cute things is kind of cute unto itself.
Getting depressed is the long way around the issue. Accepting that you are cute will be your shortcut to happiness.
I'm so sorry! I'm...too much of a tomboy—and I wasn't lucky enough to be born cute, so I just got jealous of you, Maya-san, because you're a boy and you're more adorable than I am.
It's okay. I forgive you.
I never wanted to hurt you...
Thank you so much...
That Maya-chan's really something.
Though Pandora's not quite sure what he said.
Well, he certainly is unique, that's for sure.

Chapter 5:
Matsuyuki's Love Lessons

Aoi!!
Gahh!! It's too hot for hand-holding, cut it out!
Come on! Just a little bit!
Two meters behind me, got it?!
Wait up, you guys!
Allow me to repay my debt to you!
It's all good. Don't worry about it.

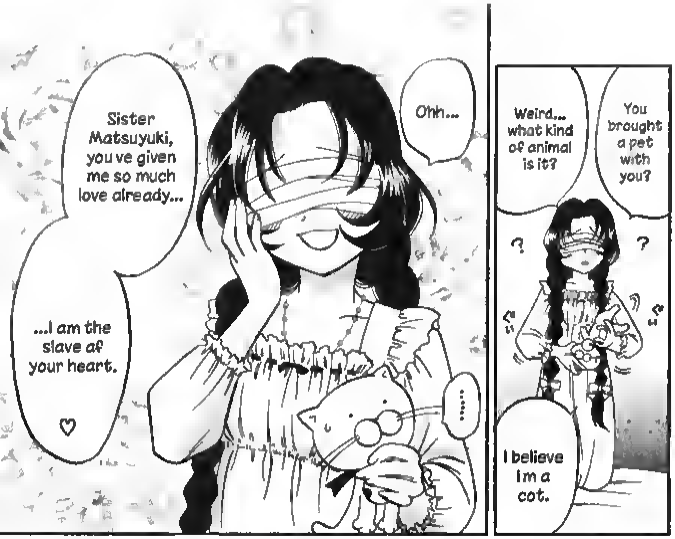
But Maya secretly followed them anyway...

What's "Acute Appendicitis"?
It's a serious condition. If I hadn't come to the hospital, I could have died.
Thank you both for visiting. I feel terrible that you're troubling yourselves over my health.
Don't worry about it, Amagi-kun. With Pandora here, you'll get the best treatment in the universe.
This room is far nicer than I deserve, as well.
Okay.
And I want to help, too. If there's anything I can get for you while you're recovering, just let me know

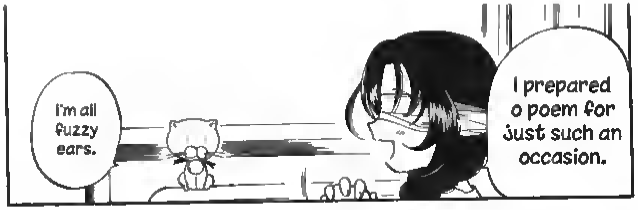
What a lovely breeze...
It feels like...
...something wonderful is going to happen today.
701
Mr. Maya Amagi

Slam!
702
Miss Erika Mizuki
Who's there?
C-could you be the Lady Knight that I've been waiting for?
You aren't the regular doctor, are you?
You're a funny girl.
You are!! You're a chivalrous maiden here to rescue me from my ailment!
I already decided I'd give my heart to the first girl that visited my room today!
I'm not human, though...
My...such a sense of humor! And your voice is so charmingly deep for a woman...
♡ ♡
Why, thank you.

No!! You should be saying that to Pandora, not him!!
Waahhh!
Don't be ridiculous!
Then she'll make Aoi sick! And then she'll heal him!
You're a Goddess, you can't.
That settles it. Pandora'll get sick, too!
Look at that. The door is open, almost as if it's inviting me in.
Cut it out!!
Then we'll just play doctor!
I don't think that I know how to play it!
Pandora'll be the nurse, and Aoi'll be the doctor
Nurse, help!
Let's leave these fools to their foolishness and go exploring.



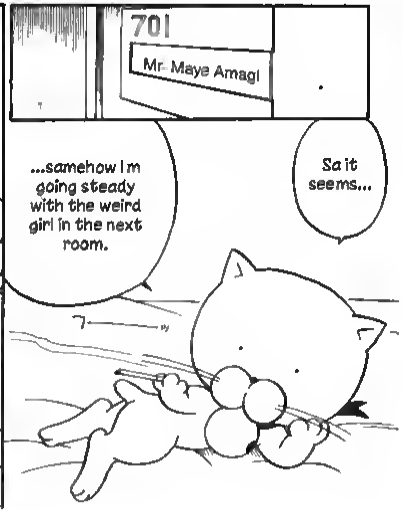
Sister Matsuyuki, you've given me so much love already...
...I am the slave of your heart.
♡
Ohh...
Weird... what kind of animal is it?
You brought a pet with you?
?
?
I believe I'm a cot.



I'm all fuzzy ears.
I prepared a poem for just such an occasion.

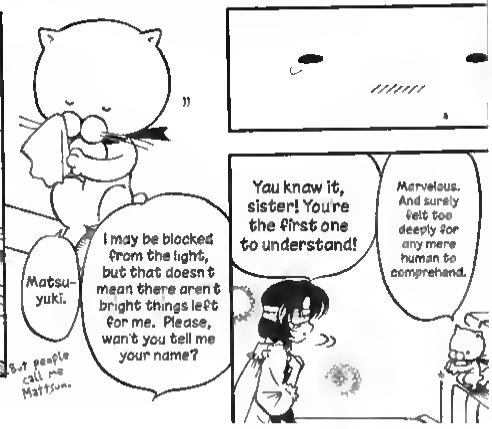
We two, we happy two, lost, loved, emotional...
Oh! A kiss twinkling like stars!
My plain lips glossed with the taste of angels
My dual heart is blooming and floral

HUH--?!!



701
Mr. Maye Amagi
...somehow I'm going steady with the weird girl in the next room.
So it seems...

Oh...?
Matsuyuki-sama... what a wonderful--
Matsuyuki.
But people call me Mattsun.



I may be blocked from the light, but that doesn't mean there aren't bright things left for me. Please, won't you tell me your name?
You know it, sister! You're the first one to understand!
Marvelous. And surely felt too deeply for any mere human to comprehend.

ピーン!
I have to look after Amagi, so I can't be worrying about you wreaking havoc on men's minds!
No way! You can't go around entrancing patients.
Pandora can't leave you two alone or you'll try anything once, too!!
What?!
Nooo!!
The Goddess wishes!!
Smash
Huh?
Pandora has the perfect solution!! She'll turn Mattsun into a human girl!

Whaaaat?
Pandora thought you were a dude!
I always thought you were a drag queen!
You're a girl?
I have no gender.
I don't think that's the issue! You're not even human! How can you go out with a girl?
Is she okay with the inter-species thing, Mattsun?!
Well, I have nothing better to do while you're in the hospital.
Uh...r-really?
...she says she can't see. So, for same reasan, she thinks I'm an older, human female.
That girl, well...
Huh...? Being a lesbian? Even that???
I guess so... You know kids these days. They'll try anything once.
If she thinks you're a girl
But... that would mean... you'd be lesbians...?
Pandora likes her body, so it's na prablem!
♡
Tee hee hee.
Just your body. The rest of you is too stupid
Anyway, I figured I could use Pandora so that she doesn't realize her mistake.

GYAAAHHHH!!!
Oh, my.
Hiii

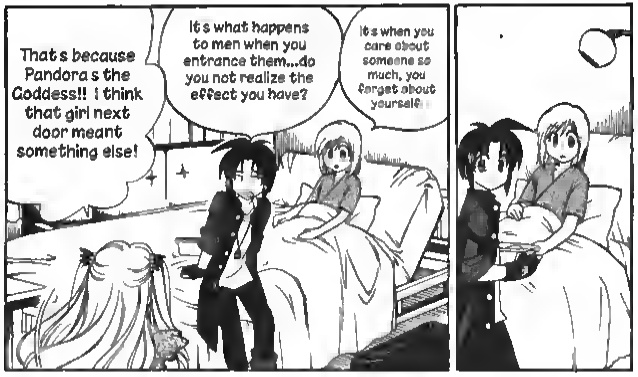
I wonder how this will go?
コンコン
702
Ms. Erika Mizuki
Sister Matsuyuki!!
You came back! I knew you would!!
Could you spring me from this dungeon for the day?
Now that you're here, Sister Matsuyuki, I have a request...
Hey, are you asking me out on a date?
?
That's God--
Ehhh
God?
No. No one said God.
Oh, yeah. Pandora has a non-speaking role.
But... even if I can't see...
Hee. Well, unless I'd be too much of a burden to you, me not being able to see and all...

Pandora can't go! They keep touching each other!
Ahh!
Are you m-m-made of r-rubber?
Are you dizzy or something?
Aoi-san, wake me from this nightmare!
Just kidding.
Pandora's spells don't work on me.
In that case, can you kiss this useless twig and put her back to normal, Aoi-san?
Really?
That doesn't mean anything!
So?! The girl next door wants to be with another girl!
Nuh-uh! We know we're both guys!!
If there's one thing I know, it's complicated being a girl...
That means you don't want to kiss her, doesn't it?!
Are you sure you're a dude?
Well, if she keeps yelling, we'll be kicked out of the hospital...so I guess I have no choice.
Uhh...
No choice?
...I haven't told her...
There's no need to worry! I have a girl I like, too... Even though...

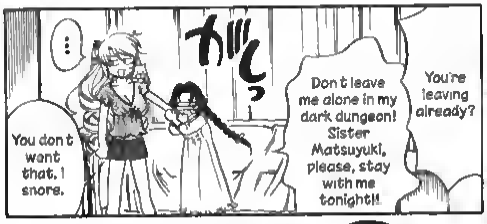
It's hard to breathe in here...
But...I did not imagine you'd have such an exceptional bustline...
Pandora's a Goddess, so here won't be any!

Sister ♡
Oh!
You're so dense! Think of someone besides yourself for once!!
Urg...
Whoops!!
When do the doctors say you'll be well?
It must be awful not being able to see.
Sister Matsuyuki... You're as sweet and kind as I imagined you'd be! ♡
!
I have to make the best of it, since I don't think I'll ever get better. At least, that's what all the experts tell me...
I'm fine, even without my eyes.
Pandora's idea of affection →
Urk!

Say...
Oh!
"Won my undying love..."
What's she mean by that?

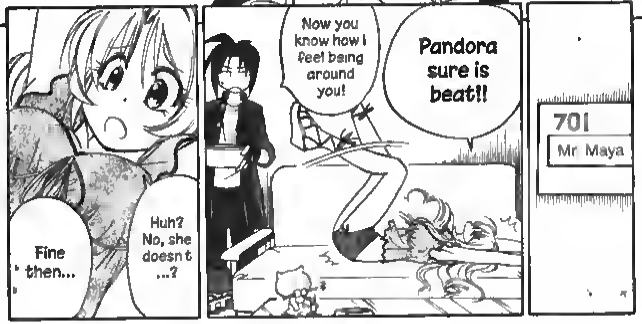


That's because Pandora's the Goddess!! I think that girl next door meant something else!
It's what happens to men when you entrance them...do you not realize the effect you have?
It's when you care about someone so much, you forget about yourself!



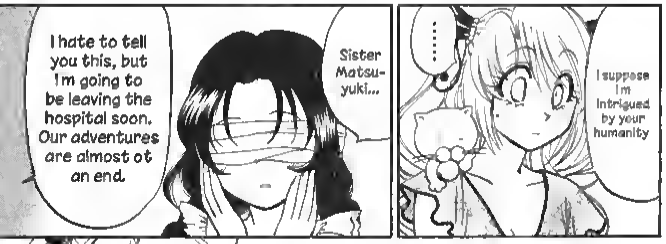
You don't want that, I snore.
Don't leave me alone in my dark dungeon! Sister Matsuyuki, please, stay with me tonight!!
You're leaving already?

...and in turn...you've truly won my undying love.
Don't obsess too much on anything.
You've shown me kindness and affection from the bottom of your heart, sister...



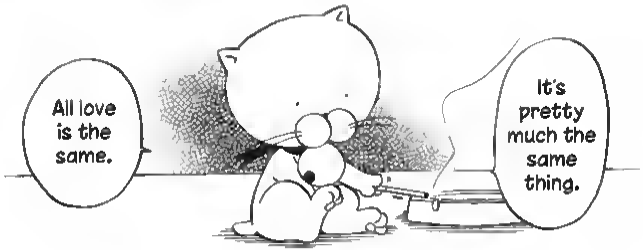
Fine then...
Huh? No, she doesn't ...?
Now you know how I feel being around you!
Pandora sure is beat!!
701
Mr. Maya

Days later...
Well, you see..
Mattsun has nothing better to do!
Sister Matsuyuki, why do you come to see me every day?



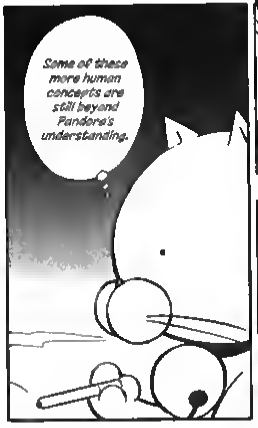
I hate to tell you this, but I'm going to be leaving the hospital soon. Our adventures are almost ot an end.
Sister Matsu-yuki...
.....
I suppose I'm intrigued by your humanity

I don't wont a man! Men are dirty.
You're the lody I olways imogined would win my heart...
It would be easier on you if I lied and told you'd be here, I know.
No way!! I can't imagine a world without you, sister!!
No, you don't, becouse soon you'll find your real knight...
But I need you, sis--

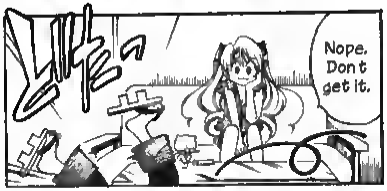


All love is the same.
It's pretty much the same thing.

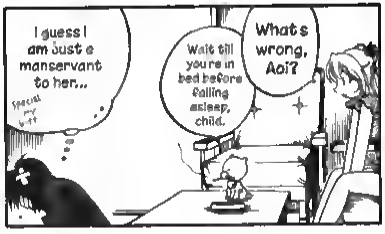
Love...



Some of these more human concepts are still beyond Pandora's understanding.



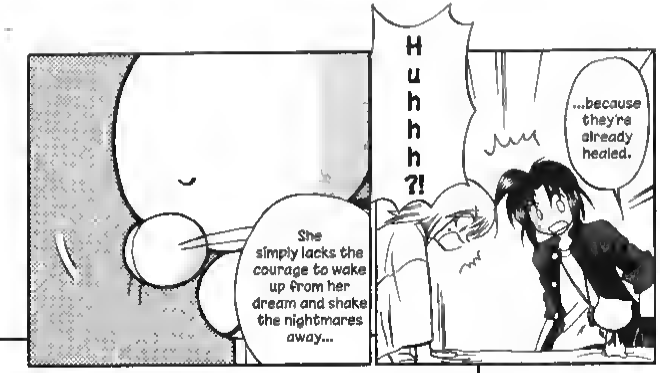
Nope. Don't get it.



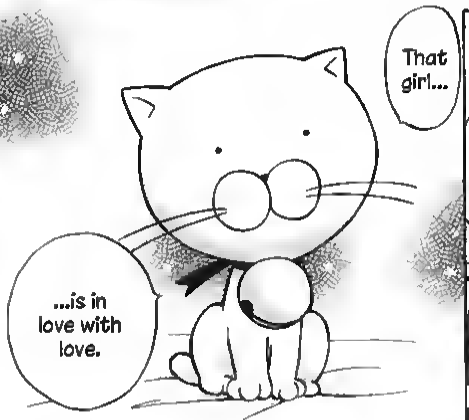
I guess I am just a manservant to her...
Special my ass!
Wait till you're in bed before falling asleep, child.
What's wrong, Aoi?

You're scared ta look upon reality, aren't yau?
But... my eyes...
I'll meet you here again, dear, when your eyes are healed.
?!
If you have the courage ta see my true self, then we'll know for sure.
……
ばっ!
My heart won't change!
No! I'm serious about my feelings! I don't care what your true self is!
……
Is that... true love...?
Her heart won't change...?

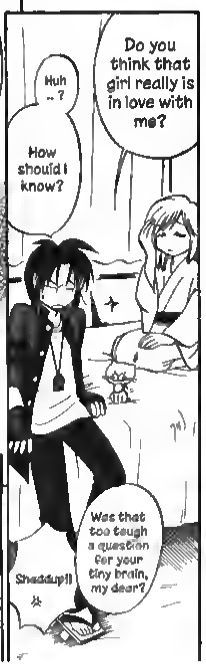
I love you, sister...
If you mean what you say...
...she truly loves Mattsun.
This girl...



She simply lacks the courage to wake up from her dream and shake the nightmares away...
Huhhh?!
...because they're already healed.



That girl...
...is in love with love.



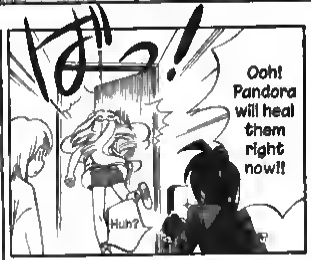
Do you think that girl really is in love with me?
Huh--?
How should I know?
Shaddup!!
Was that too tough a question for your tiny brain, my dear?

Oh, my, sounds like you finally got something.
Then that would make you dumb for going out with her.

I suppose so...
Wouldn't it be worse if she knew the truth?
Yeah, but it's not an issue unless she suddenly begins to see again.
She wants to see you?
701
Mr. Maya Amagi
Say what?!
ばぁっ
None of that is important!
Oh, my... she must be so sad.

She really believes you'll meet her if her eyes are healed!!
That girl is truly in love with Mattsun!

It's a wasted spell...



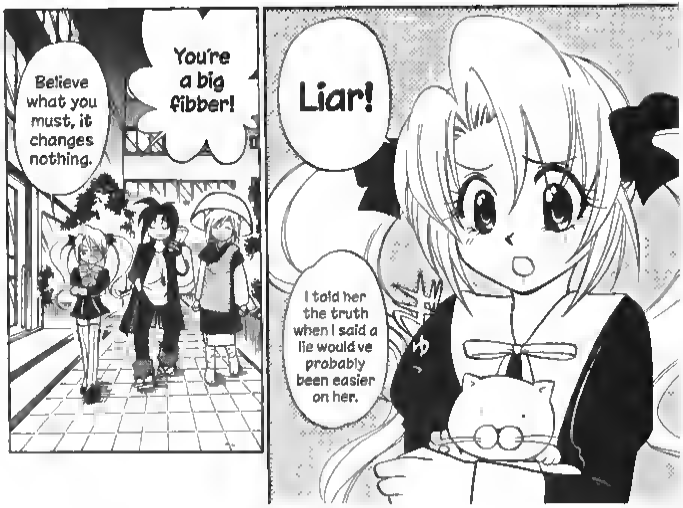
Ooh! Pandora will heal them right now!!
Huh?

...was just caught up in a long dream?
Perhaps I...
Sister Matsuyuki... didn't come after all...
Meow
.....
Are you waiting for someone as well?
You've been here a while, too, haven't you, kitty?
What a bizarre cat...

On the promised day...

Chapter 6: A Trusting Heart

.....
...is defined by what you can't.
What you can see...
I thought you were gonna talk
Mattsun-san, was this really the best solution?
Mattsun, you dirty liar!!
I kept my promise



Believe what you must, it changes nothing.
You're a big fibber!
Liar!
I told her the truth when I said a lie would've probably been easier on her.

WAAAHH!!
カバッ!!
Pandora'll take her clothes off!!
That's right! Let Pandora take your clothes off!
Cool breeze
What's that?
You're so hot because you're wearing that uniform in this heat.
Huh?
In that case...
No you don't!! A real man wears his gear no matter how hot it gets!!
I'm not taking mine off, so don't take yours off either!!
Ugh
Don't, don't, don't!!
What do you think of getting some watermelon?
Oah, that's a good idea.
Hey! Pandora-san, don't steal other people's water!!
Mm water
All right... If you need to cool off, let's find something chilled to eat...and hope for the best.

Aoi tied a string to her wrist so she won't run off and cause trouble
So... Hot...
Haah Haah Haah ...
No! A person's only warm because he thinks he is. I believe, "If you empty your heart and mind, even fire will be cool."
Aren't you warm, Amagi?
You know, I don't like kissing You that way.
You know, if you let Pandora use her Goddess powers again she'll cool things down. Give her a smooch!
NO!!
Gahhh!! Don't grab me!
I'm so hot I'm gonna collapse, Aoi...
† Steam resulting from increasing body temperature

Their agar jelly is of the highest quality seaweed. It's the real deal.
So well-learned for your age
So cold to start
So this is how it's supposed to taste.
Jelly, bean paste, fruit: Kagetsuan has the best Anmitsu!!
It's like a dessert oasis! A shining jewel!
What?! HEY!! Don't go through my stuff!!
Wow! You sure wrote a lot, Aoi!!
I can't read the Kanji though
You really enjoy your Wagashi, don't you, Aoi? I'm surprised.
Ahhh It's melting in my mouth
Don't you have to mind boobs

In the summer, Inya serves Bracken Mochi...
Stuffed Bamboo from Rikumudo served cold...
And there's arrowroot at Shimaoka.
Oah--the aroma of the bamboo cools you off all an its awn...
Arrowroot dumplings at Kobaien...
Neapolitan ice cream.
Watermelonnnnn...
Forget ice cream... What about Japanese treats?
No, he's all excited about Wagashi. He must really like Japanese sweets.
Has the heat damaged Aoi?
Any dumpling would be good right now...
Waahhh! Where are you going?!
There it is!!
That's right...that place is right around here!
Ah-HA—!!
Ahh!

How about this...
Name this Wagashi.
Umm
Do I know you?
Of course! Don't you recognize me?
What?
!
?
At this time of year, all sorts of chefs in this area use the same ingredients to make a Wagashi...
...but even though they share the same name, each one is made differently according to each chef. Its preparation is a specialized art.
If you know that...
...then you must...
That's easy. "Minazuki," right?
Yes. And this place had the best Minazuki last summer.

You're mean, Aoi!
Sssz.
Welcome!
This is important to me!
Convent? But you're a guy!
Naw that you mention it, I made some Bracken Mochi at the convent last summer.
!!
That's...
Huh?
Excuse me, is this seat taken?
I finally found him...
...Ibara-kun.
I finally found you after all this time...

Sorry.
I've left my home—and that name—behind...
I'm sorry I didn't recognize you, Sensei, but you look really different.
And I'm sorry for startling you, Ibare-kun...but I hadn't seen you in so long, I simply had to say hello.
?
Sorry to keep you waiting...
Private tutor, eh?
Whoa! Do you think Aoi-san could be an heir to a wealthy family?
.....
Pandara's not sure.
I've been doing research and taking notes all through my travels.
!
I have something! Here, take a look at this.
Zz
I've been worried about you. It's good to see that you're doing well. I knew one day I'd run into you at a Wagashi parlor, so I never stopped looking.
Sensei...

No...It must be my imagination...
This woman... there's...
What is this woman to you?
ガビーン
You're Serizawa-sensei?! I haven't seen you in forever!!
Yes, it has been a while.
Sensei?
Her real job is actually being a university professor. She doesn't normally tutor.
Nice to meet you.
This lady is... err, was...my private tutor. Allow me to introduce Serizawa-sensei.
She always brought tasty treats with her during our study sessions.
The funny thing is, it's because of her I got obsessed with Wagashi.

Pandora doesn't like how you said that!!
I'm sorry, Miss, for getting between you and Aoi.
Aoi-kun, it's okay.
Jealousy can be sort of cute.
What?!
!
I don't care about those stupid things! Sensei means a lot to me, like a--
Don't be so rude to Sensei! Apologize!
うちゅっ!
Aoi! Come here.
You're making fun of her because you think she's just a kid, right?
What are you getting so mad abo--

Ahhh-haa!! So, that's what you wouldn't show Pandora earlier!
Oh, it's not all that much.
My, you've done quite a bit...
You're as thorough as ever. Impressive.
That's a good idea! It is Minazuki time, after all! Miyoshiya has come out with a new variation.
I haven't been able to eat any Wagashin in a while, so I thought I'd at least do some research for the next time...
Would you like to have tea with a spot of that tea you researched, Aoi-kun?
Can't form words!
None other than.
It has to be specially ordered
Huh? Isn't Miyoshiya run by Goro Mimasaka-san now?!
Those two seem to be in a different world, don't they?
Quit pestering Aoi!!
Stop!
She's older than Pandora, she hides her body under layers and layers of clothes, and her boobs are droopy!!
What do you plan to do with this seductress, Aoi?

How you like me now, eh?!

Waaahh! Jerk!!
Ah! Pandora-san, wait!
Oh, I don't mind. Is your friend okay, though?
I'm sorry for all the commotion..
But Pandora's telling the truth!!
Pandora? A freak?
Umm, what are you guys talking about?
And what just happened, exactly?
It would take too long to explain...Just don't believe a word that freak says.
Don't worry about it. It startled me, but I'm fine.
Yeah, Maya will look after her. I'm really, really sorry.
...I've been waiting for this day...
Seizawa-sensei...
...the day you'll finally acknowledge me as a woman.
Anyway... there're so many things I want to ask you, Aoi-kun.

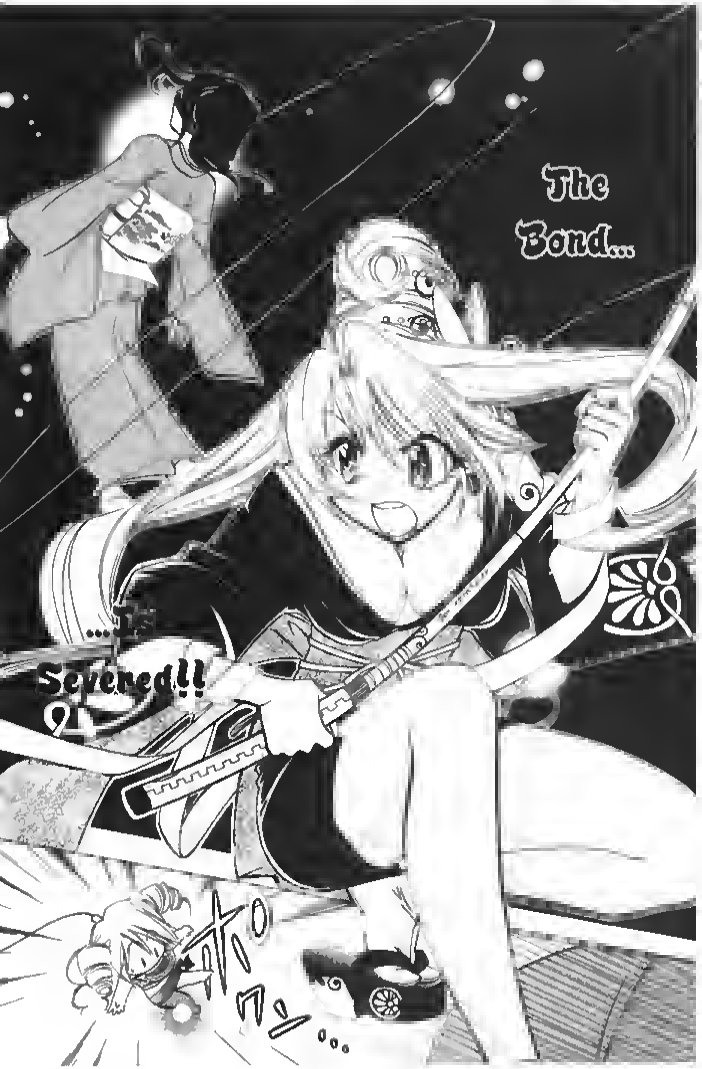
Now who's the kid and who's the woman?
Huh?
Gyaaahhh!!
Hey... you...
She's my mentor! She has no need to enslave me! Stop slandering her!!
Cut it out already!
But, Aoi... she has a GIFT in her! She's trying to seduce you--
No panties, even?!
How can you parade around like that in front of my Sensei?!

Is he just any ol guy?
Is Aoi so easily replaced?
No, he's not just any ol guy.
Aoi may... hate... Pandora, but...
... she ...
But he didn't trust Pandora!!
If he really hated you, he wouldn't have stayed with you, would he?
Well, for that...
...maybe you have to trust him first.
But Pandora wasn't lying!!
It seems you've found a strong rival, doesn't it?
I had a strange feeling when I first saw her, as well. I thought I was mistaken, but I guess not.
I believe you.
Waaahh...
Doesn't need him...?
Are you sure about that?
Pandora doesn't need Aoi anymore!!
She'll find herself a different manservant!
But they were talking about their own things and leaving Pandora out... and she couldn't let them do that!
But I can also understand why Aoi-san got so angry when you said those things. She was his teacher, after all.

Never mind...
Nothing
You're not the same boy either, not since you left home, are you, Aoi-San?
Now you're...
You've really changed, Sensei...
Now I'm what ..?
..but I'm sort of confused as to where I should go from here.
I want to live by my own wits, build myself up with my own hands and stand strong-.
If I stayed in that house, I knew I'd become spoiled and useless.
At first I just wanted to get away.
Aoi-kun...
Don't call me Sensei anymore
Talking with you always eased my worries Sensei.
You're lost, but it's okay. Everyone is at this age.

...Huh?
.....
I didn't see a slave chain attached to her.
We have to hurry back. Aoi-san's in danger!
It doesn't matter! She's still going to try to make Aoi her Slave!!
Yes.
Really?
Apologize to Aoi-san and tell him you trust him, and I'm sure he'll trust you back.
You're always so direct, so Just say what you feel.
Pandora will apologize and stop it!!
She's not allowed!
No...
?!
The Gifts all originated at the same time, springing from the same source. It's no surprise that they'd share information with each other.
So the Gifts have begun to notice Aoi...

Kyaahh!!
Aoi!!
?!
Pan-dora!
Stick to boys your own age, you dirty old tutor!!
No, I was wrong!!
She's sorry!!
Ah! Pandora did it again...
Bringing up her age may have been too harsh.
So...
So...
Listen Aoi... Pandora was scared you'd be taken away, and she may have overdone it...
Huh?
If you become my Slave, you'll never feel lost again. I promise.
?
Yes...
I want to talk about more than education and Wagashi.
I want you to be more familiar with me.
Sensei?
Agh!!
Stop it!!
Pandora was right! You're really a Gift, aren't you?
My sensei wasn't like this...
Serizawa? Sensei?
Who are you?!
...I'll put an end to Pandora's quest to recover my sisters
With you as my Slave...
Sanae Serizawa... your private tutor
No!



The Bond...

Aoi!
Let's retrieve the Gift!
You got it!
I don't need...

Don't deny yourself, Aoi-kun
Run away with me.

That means...
Wait!
...fish the Gift out of you!!
Pandora will...

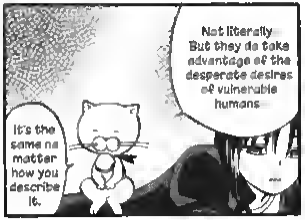
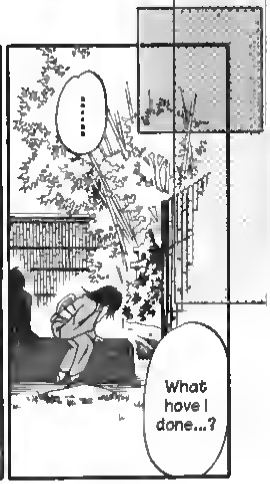
Farewell...

...Aoi Ibara-kun.



Not literally. But they do take advantage of the desperate desires of vulnerable humans.
It's the same no matter how you describe it.



Pandora really does love you, Aoi!
Oh, all right. I'll try to believe what you say from now on, too...
What are you talking about? I don't care...
She's going to try to trust you more.

I don't really care either way.
Really? Pandora can look at your book?
There.
It's not like there was ever anything in there I didn't want you to see...
.....
What the hell? You going to read it or you going to choke me?
Gack!!

……
And then you can proudly tell everyone you meet that you're Pandora's man-servant! ♡
Good! Then she'll keep on loving you more and more!!
Who in their right mind would agree to be such a thing?!
Who're you calling "man-servant"?!
Ahhh, that was a good bath. Who's next?
What? Why'd he get mad?

Neither of us thought Pandora-chan would be any good the way it was, so we hammered at it some more and changed the name to Because I'm the Goddess, and the series as we know it was born
This is the original design for Pandora (age 6)
How about we try Pandora-chan again? But I'll treat it seriously this time.
Hmm, shall we?
And the hook was in!
I took the proposal to Tokyo with me, but it wasn't very good, so it got set aside.
I came up with the new title while on my exercise bike
But I also did a manga called Force-chan, so I really couldn't go that route again.
